2021 WOMEN'S FUND OF RHODE ISLAND CORPORATE LEADERSHIP

Women's Policy Institute

The Women's Policy Institute is a nine (9) month program designed to train women with diverse backgrounds and experiences to be strong policy advocates at the state and local level. While college experience is not required, you might think of this as a graduate-level course with hands-on application.

The program teaches public policy and strategic communication skills to grassroots leaders, increasing their participation in policy formation and implementation and prepares them to lead ongoing advocacy and policy work. Each cohort chooses a policy initiative that they will champion throughout the program. Examples include support of the Temporary Caregiver Insurance Act, workplace pregnancy protections, the RI Parentage Act, and repealing the "Tampon Tax".

WFRI chooses participants who demonstrate the potential to lead on issues of gender equity. Each participant must commit to the integral aspects of the program including research, developing bill language, finding bill sponsors, and creating and implementing a communications strategy that motivates people into action.

Cocktails and Conversations

Each quarterly networking event features a speaker or panel of speakers. Topics may include*:

- Women's Well-Being Index Research Release
- Diversity and Inclusion in the Workplace
- Racism and Gender Equity
- Housing, Childcare and Social Services, Oh my!

As a sponsor, you choose the topic(s) you'd like to support. We will schedule the date and location once sponsorship is in place to ensure sponsor convenience in attending. **Topics subject to change based on interest*

- Advocacy 101
- Men as Workplace Allies
