What can **YOU** do?

Actions

- Identify and address gender bias within your circle of influence, such as in your workplace, community and affiliated organizations
- Support government policies that level the playing field
- Invest in companies that commit to gender diversity in leadership positions and on their boards
- Give to programs that focus on women and girls
- Volunteer with our Policy and Advocacy Committee
- Contact your legislator to support gender equitable policies

- Use WFRI's "**Gender Equity Workplace Toolkit**," found at www.wfri.org/research
- Join WFRI's mailing list and sign up for **Advocacy & Action Alerts**
- Attend an upcoming **Event or workshop** www.wfri.org/events
- Attend **Women's Policy Institute** www.wfri.org/leadership
- **Donate to WFRI.** Our mission is to invest in women and girls in our community through research, advocacy, grant making, and strategic partnerships designed to advance gender equity through systematic change. www.wfri.org/donate
